

Child Protection @ BMA

At Brewwood, all the adults around you think that your health & safety and welfare are very important. In our school we respect all children and want to keep you safe and help protect your rights.

How we will try to protect you:

- ✓ We will try to provide a safe environment for you to learn in.
- ✓ We want to ensure that you remain safe at home as well as in school.
- ✓ We think that it is important for you to know where to get help if you are worried or unhappy about something.

Bullying

If you think that an adult or student is bullying you or someone that you know you must tell a teacher/parent/ carer or someone that you trust.

Presents

Presents are a good thing to get but you should not take gifts without checking with your parents first. If it doesn't seem right then tell an adult as soon as you can.

Touching You

Your body belongs to you and no one else. If you do not like the way someone has touched you must tell a teacher/parent/ carer or someone that you trust.

Hitting, punching smacking

If an adult or student punches, hits or smacks you, a teacher/parent/ carer must be told straight away. It will not stop unless you do!

On the computer or your phone

It is important to keep yourself safe on your computer, games console or on your phone. If you are unhappy with comments or images that you receive, report this to an adult or use the **CEOP** button on the school webpage.

Important

- It is never your fault if someone is hurting or abusing you.
 - There is always someone who can help you.
- If someone is hurting you they could be hurting others. Report it to an adult.
