

Our

Safeguarding

Policy

It is important all

children and young people are safe and

happy. This is because we want you

to be able to enjoy your childhood, to

learn, to be cared for, to have rights,

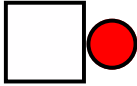

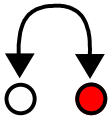

to be safe online, and to grow up

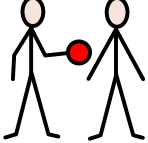

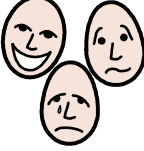

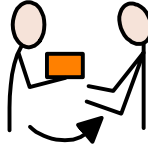

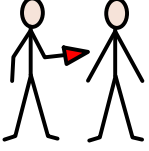

into a confident and healthy

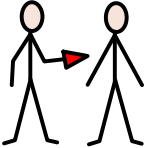

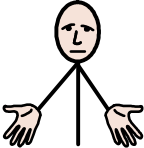

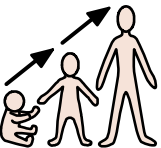

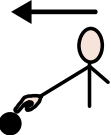

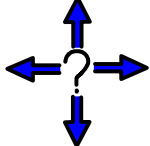

young person.

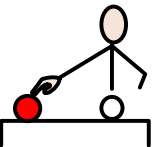

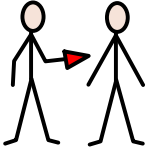

—      
Being hurt by an adult or another

 —  ...   
child is wrong. If someone hurts your

  —    
feelings it is wrong. Not giving you

?     + 
what you need to grow and develop

—  —    
is wrong. Being touched in a way

    —  
that you do not like is wrong. Not

—  —   —
being cared for is wrong. Bullying is

  — 
wrong. **This is abuse.**

It

is not

your

fault.

Abuse

and

bullying

must

be

stopped.

Remember

we

want

you

to

be

safe

and

happy.

We need to make sure that we look

out for each other. If you are worried

about something or someone you must

tell an adult. You can tell your

teacher or teaching assistant, or Lisa,

Ellie, or Russell. They might need to talk to

your parent or another adult. This is

ok.
